

To Whom It May Concern:

The International Humanities Center (IHCenter) was created in 1998 to foster social and ecological justice, as well as efforts in the realms of peace, education, women's and children's issues, and animal rights. IHCenter sponsors those projects whose efforts may be start-up or established, and run the gamut in available financial resources. The increasing need in the community for these types of grassroots efforts prompted the formation of an entity to better facilitate their needs. IHCenter is this entity.

IHCenter is a tax-exempt public charity as recognized by the Internal Revenue Service under Section 501(c)(3) of the Internal Revenue Code. Therefore, donations to IHCenter-sponsored projects are tax-deductible to the extent allowed by law. Our Tax Identification Number [FEIN] is 33-0767921.

Running Across Borders has been an IHCenter program in good standing since 9 September 2008. We are delighted to be in collaboration with Running Across Borders and Program Co-Directors Garret Ash and Malcolm Anderson, and fully support their goals and efforts. Please feel free to direct any questions about the IHCenter Program to me.
